Walking Through the Door of Impossibility—Without Looking Back

While global leaders are gathered in **Copenhagen** grappling with the enormous challenges we face to bring our practices and activities into alignment with true long-term sustainability, **we in New York City can do our part.**

Join us to learn about some of our most creative local, regional and international initiatives in business, the Green movement, education and the arts.

Be inspired by and **participate** in musical conversations.

Share your vision and work to help transform our environment, both natural and social.

New Yorkers are known for our **Can Do Spirit**. With your participation **We Can Do This!**
